

Level 2 Certificate in

Equality and Diversity

UK employers are often looking to improve both equality and diversity within their companies, so having an equality and diversity qualification is a great addition to any CV. This qualification aims to promote your social awareness and good practice of equality and diversity in any setting, including the workplace, the community, at home and in society.

Unit 1: Equality and diversity in society

In this unit, you will learn what is meant by the term 'equality' and explore the damaging effects of stereotyping and labelling.

Unit 2: Equality and diversity in the community

This unit will help you to identify the extent of diversity that exists within a community and understand the benefits of promoting a culture of equality and diversity.

Unit 3: Equality and diversity in the workplace

In this unit you will learn how equality and diversity can be promoted and maintained by employees and the benefits of having a dynamic, diverse workforce.

*The level 2 distance learning courses are fully funded.
The only criteria is that you are over 19, have lived in the EU for the past 3 years and currently live in England.*
